#### School Policy Adherence Agreement

As parent/guardian of student, I understand and agree that student's admittance and continued enrollment in the school is conditional upon good behavior and adherence to school discipline, ethical and anti-bullying policies as outlined in the parent/student manual and all communications made to parents and/or students in any form during the school year. I also understand that it is my responsibility to obtain a copy of parent/student manual and to understand policies stated therein, and to share and explain them to the student. In addition, I agree to consistently read, understand and act on all communications and share them with and explain them to student. I agree that student is subject to suspension and/or expulsion if any school policy is violated as determined at the sole discretion and judgment of the school administration. I also understand that all agreements resulting from warnings given to student are binding, including suspensions and expulsions. Furthermore, I understand that suspension and expulsion may occur as a result of several incidents or from just one incident depending on severity. I also concur that the school administration shall determine the degree of severity of any incident at its sole discretion and judgment. I also agree to cooperate with the school's administration and staff in resolving any behavioral problems brought to my attention, and that my lack of cooperation, inability to attend counseling, failure to comply with commitments on my part or the part of the student are also grounds for suspension/expulsion at the sole discretion and judgment of the school administration.
